32.	Fill in the blank using a suitable preposition: After the payment issue was sorted, the hero agreed to finish the movie, accepting the director's demandsthrowing a tantrum.			
	a. with c. from	b. without d. on		
33.	Read the given passage and answer the question: Imagery rehearsal therapy (IRT) is a form of cognitive behavioural therapy (CBT) used specifically to help improve your sleep by addressing nightmares. In fact, it's the most frequently recommended therapy technique for severe nightmares. Nightmares fall into two main categories: post-traumatic nightmares and idiopathic nightmares. Post-traumatic nightmares happen after a trauma or a frightening event. Idiopathic nightmares have no clear cause. No matter the underlying cause, nightmares can cause a lot of distress, not to mention disrupt your rest and leave you still exhausted when you wake up. Evidence suggests between 3% and 8% of people have more than one nightmare a week. And though it might go without saying, having nightmares on a regular basis can make it tough to get a good night's sleep. But IRT could be the key to better dreams. Developed in 1978 by psychiatrist Isaac Marks, this approach has you recount your nightmare while awake so you can create a happier alternative ending. You mentally rehearse this new ending every day with the idea that the nightmare will change in your sleep.			
	What can nightmares do? a. disrupt sleep c. leave you exhausted	b. cause distress d. all of the above		

34. Read the given passage and answer the question:

Imagery rehearsal therapy (IRT) is a form of cognitive behavioural therapy (CBT) used specifically to help improve your sleep by addressing nightmares. In fact, it's

the most frequently recommended therapy technique for severe nightmares. Nightmares fall into two main categories: post-traumatic nightmares and idiopathic nightmares.

Post-traumatic nightmares happen after a trauma or a frightening event. Idiopathic nightmares have no clear cause.

No matter the underlying cause, nightmares can cause a lot of distress, not to mention disrupt your rest and leave you still exhausted when you wake up.

Evidence suggests between 3% and 8% of people have more than one nightmare a week. And though it might go without saying, having nightmares on a regular basis can make it tough to get a good night's sleep.

But IRT could be the key to better dreams. Developed in 1978 by psychiatrist Isaac Marks, this approach has you recount your nightmare while awake so you can create a happier alternative ending. You mentally rehearse this new ending every day with the idea that the nightmare will change in your sleep.

Who developed IRT?

a. Edward Brian

b. Phil Marks

c. Isaac Marks

d. Isaac Newton

35. Read the given passage and answer the question:

Imagery rehearsal therapy (IRT) is a form of cognitive behavioural therapy (CBT) used specifically to help improve your sleep by addressing nightmares. In fact, it's the most frequently recommended therapy technique for severe nightmares. Nightmares fall into two main categories: post-traumatic nightmares and idiopathic nightmares.

Post-traumatic nightmares happen after a trauma or a frightening event. Idiopathic nightmares have no clear cause.

No matter the underlying cause, nightmares can cause a lot of distress, not to mention disrupt your rest and leave you still exhausted when you wake up.

Evidence suggests between 3% and 8% of people have more than one nightmare a week. And though it might go without saying, having nightmares on a regular basis can make it tough to get a good night's sleep.

But IRT could be the key to better dreams. Developed in 1978 by psychiatrist Isaac Marks, this approach has you recount your nightmare while awake so you can create a happier alternative ending. You mentally rehearse this new ending every day with the idea that the nightmare will change in your sleep.

Identify the correct statement:

- a. IRT is a form of CBT.
- b. Nightmares fall into 4 categories.
- c. Around 5% of people get nightmares every week.
- d. DBT could be the key to better dreams.
